

**Memorandum No. 10-54**

**TO:** Mayor and City Commissioners  
**FROM:** Doug Russell, City Manager   
**RE:** Funding Request - Charlie Battery Breakfast  
**DATE:** April 7, 2010

---

The recent return of Charlie Battery from Active Duty overseas brought with it a time sensitive response to welcome the soldiers back to Yankton. Part of the process included a last minute breakfast for the soldiers and their families. This was hosted by the unofficial "Operation: Welcome Home Charlie Battery" committee. As many of these details occurred in a short period of time, funding sources were unable to be acquired prior to the event. This Committee is seeking financial support from the City to cover costs of this breakfast.

**Recommendation: It is recommended that the City Commission approve \$2100 for the breakfast held for the return of Charlie Battery and that funding come from Professional Services in the general fund.**
