

**Memorandum #10-69**

**To:** Doug Russell, City Manager  
**From:** Kevin Kuhl, Public Services Director  
**Subject:** Airport Fuel Tank Lease Revision  
**Date:** April 30, 2010

---

Attached is a revised Exhibit A dated 4-29-10 associated with the approved Chan Gurney Airport Lease Agreement for Fuel Tank/Equipment Space associated with hanger # 25. At the request of the Lessor the updated Exhibit A reflects a tank location that puts the front of the tank even with the front of hanger # 25. The previous location had the tank setback 8 feet. The applicable codes have been reviewed and the revised tank location meets requirements. It is recommended that the City Commission approve the tank lease location shown on Revised Exhibit A dated 4-29-10.

Respectfully submitted,

Kevin Kuhl, PE  
Public Services Director

**Recommendation: It is recommended that the City Commission approve an amended Airport Fuel Tank Lease as outlined in Memorandum #10-69 authorizing the City Manager to execute documents associated with the revised lease.**

I concur with the recommendation.

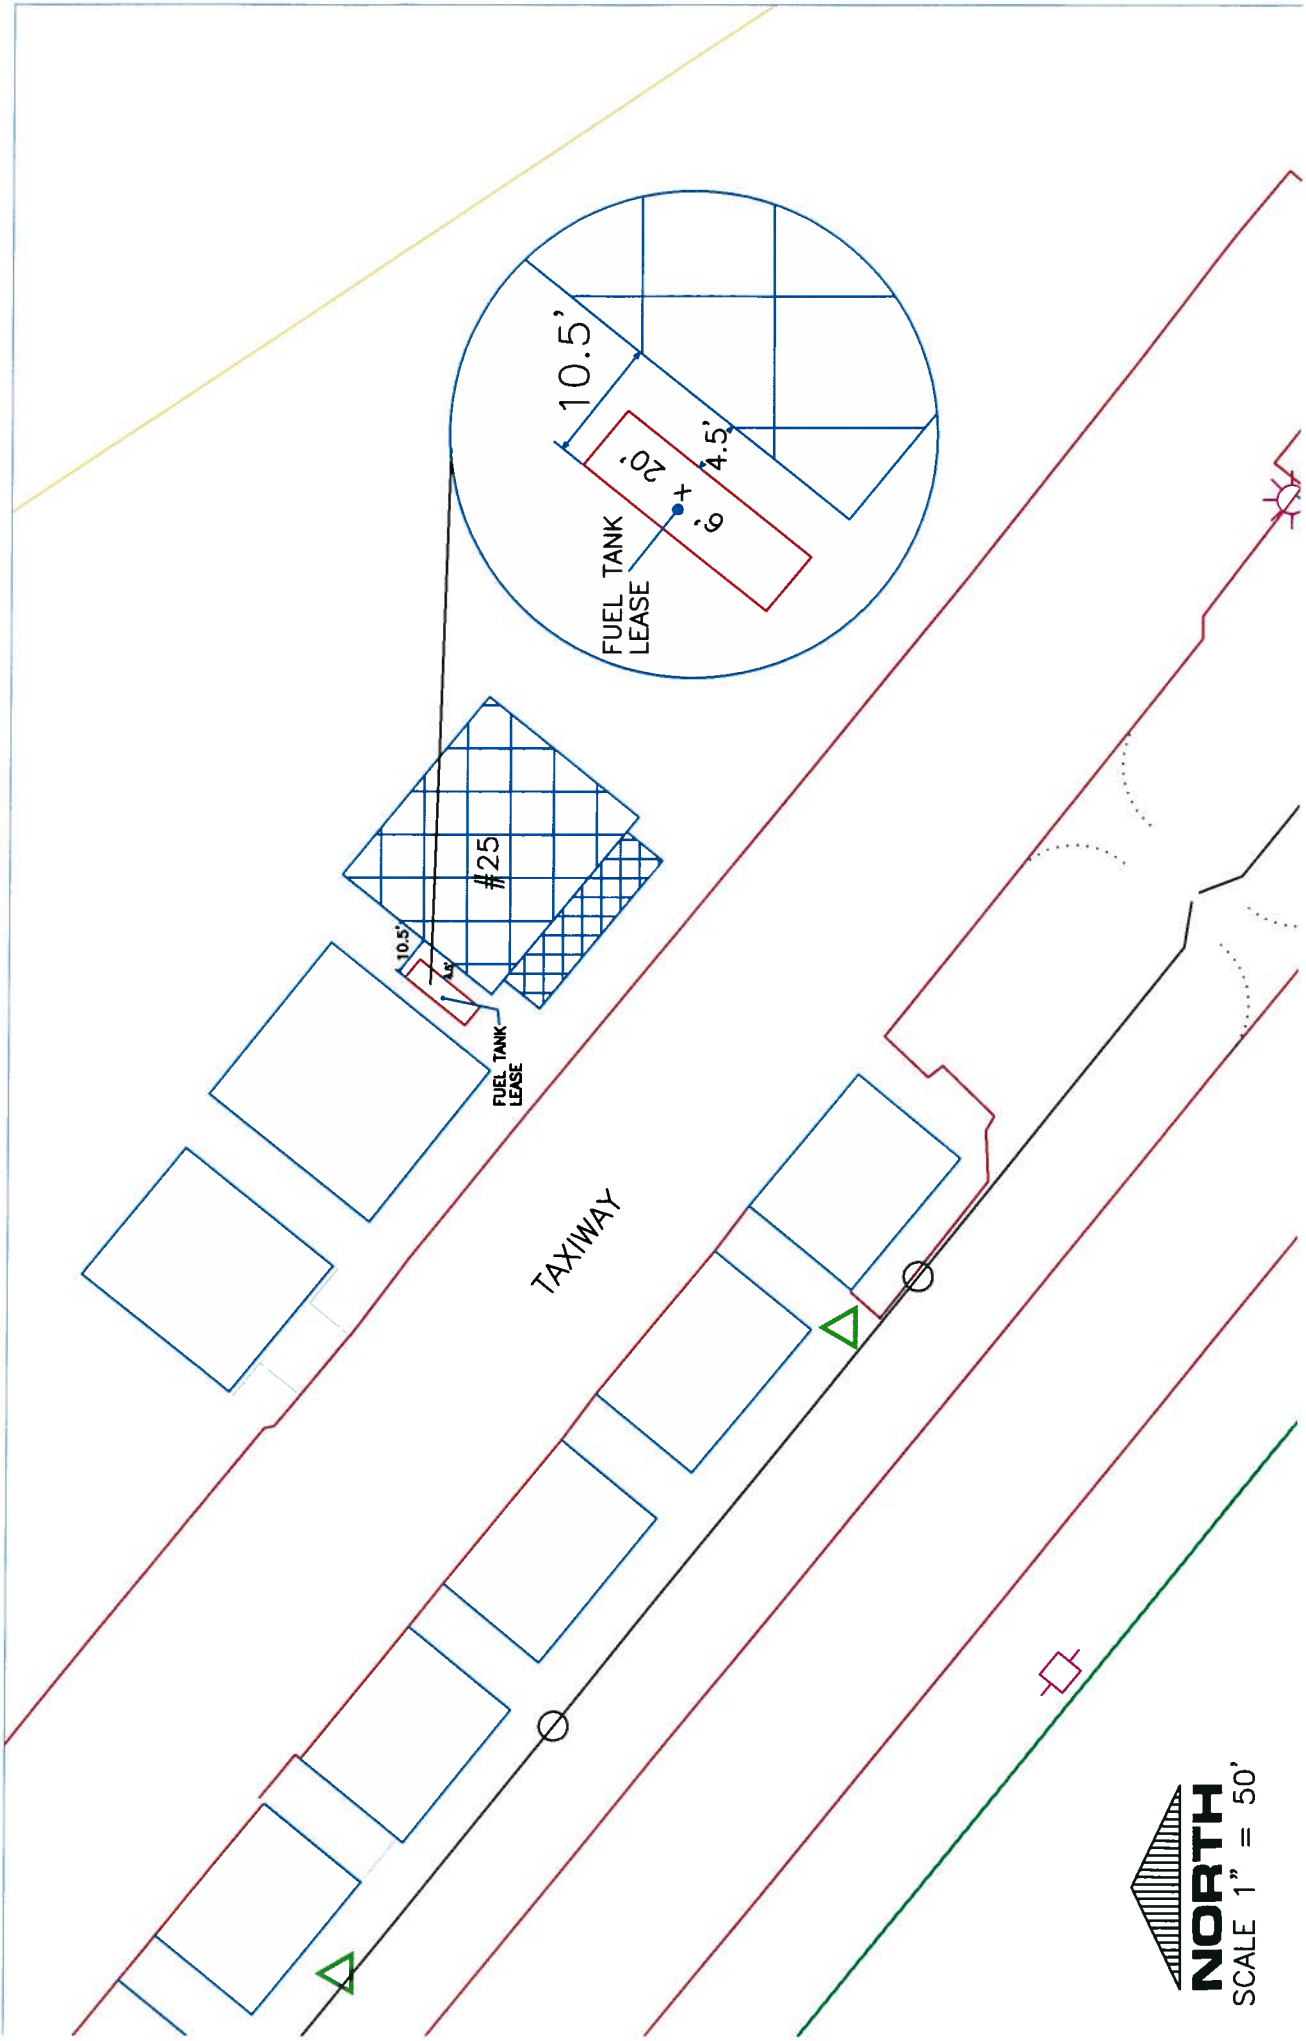

I do not concur with the recommendation.

Doug Russell  
City Manager
