**FOX RUN MENS FALL GOLF LEAGUE 2011**  
**2 MAN LEAGUE**  
**SCRAMBLE FORMAT!**

The following guidelines are established to make each week as enjoyable and equitable as possible:

- 1 All Players must have a current GHIN handicap.**
- 2 Tee times will be assigned randomly starting at 4:45 – 5:07. Due to limited sunshine we have to start early. If you can not be here on time at 4:45, please DO NOT sign up for the league
- 3 This will be a 2 man scramble league. Each person tees off, take the best shot then continue this format until the ball is holed.
- 4 If a player cannot be present for a match, please ask someone from the substitute list. If no substitute can be found, you may with the approval of your opponents make up the match in advance, it must be played by the scheduled playing day. If necessary, a single player can represent his team, details listed in scoring below. Please keep golf staff updated of any make up matches.
- 5 The league will be limited to the first sixteen 2 man teams that get signed up. The entry fee will be \$25 per player.

## SCORING OF THE COMPETITION

- 1 Teams will compete in a match play format. You will receive 1 point for each hole won. Ties will be worth ½ of a point. Total of 9 points for head to head competition. This will be your GROSS score for each hole.
- 2 The remaining points for each week will be earned in competition against the entire field of teams. Those points will be awarded as follows: there are 16 teams, the Net Score of the team will be compared to all other teams' Net Totals. **Net score is calculated by taking your team's total handicap for 9 holes and dividing it by 4. You will round to the nearest tenth when figuring your team handicap.** (A 4.25 would be a 4.3)The team with the lowest Combined Net Score Total will be awarded 16 additional points to their match points. The 2<sup>nd</sup> lowest Combined Net Score receives 15 points plus their match points, and continuing on down to the highest Combined Net Score, which will receive 1 point plus any earned match points. The greatest number of points any team can earn for 1 week is 25 (16 for Lowest Combined Net + 9 if they win every hole of the match).
- 3 Missing Player Policy: The single player will compete against the opponents Scramble Score for the match points in head to head competition. The single player's gross score will go towards the other Net scores! **YOU ARE PENALIZED FOR NOT FINDING A PLAYER!**

**LEAGUE WILL RUN FROM AUGUST 23<sup>rd</sup> - SEPTEMBER 29<sup>th</sup>.**
