

Laptop and Hotspot Lending Policy

To increase digital access for area residents, laptops and hotspots are available to borrow from the Yankton Community Library (YCL).

A “laptop” consists of a portable computer with a Windows operating system, power supply, power cord, and case. A “hotspot” consists of the wireless device, charger, and case. The library user or “borrower” is responsible for the safe-keeping and return of these items to the library in good working order and assumes liability for the equipment while in their care. The borrower must sign YCL’s Laptop and Hotspot Lending Policy annually. This agreement will be noted on the borrower’s account and will remain in effect until the end of the calendar year or until the borrower notifies library staff in writing that they wish to revoke their agreement.

The borrower’s use of YCL’s laptops and/or hotspots is available under the following terms and conditions. By borrowing a laptop or hotspot, the user agrees to abide by YCL’s policies and rules, and agrees to hold YCL and its agents harmless from any claims, losses, damages, obligations, or liabilities directly or indirectly, relating to the use of the library’s laptops and/or hotspots and the internet access provided by YCL.

Circulation

- Laptops and hotspots may be borrowed by an adult card holder.
- Borrowers must have an active card in good standing with at least a 1-month history. (Temporary, 30-Day Trial, Teacher, Youth, and library cards with other conditions are not eligible to check out laptops and/or hotspots.)
 - Good standing is defined as an account with a current address and phone number, and does not have outstanding fines/fees equaling or exceeding \$5.
- **Borrower must present a photo ID (license, passport, etc.) at check out with no exceptions. Authorized users may NOT check out or pick up laptops or hotspots on someone else’s account.**
- The lending period is seven (7) days and device(s) may be renewed one (1) time if there are not any holds on items.
- Holds may be placed for laptops and hotspots. Holds will be filled in the order in which they are received. Borrowers will be notified when their hold is ready for pick up.
- Device checkouts are limited to one of the following per household:
 - 1 laptop
 - 1 hotspot
 - 1 bundle (which includes 1 laptop and 1 hotspot)
- After returning a device or a bundle, library users must wait until the next business day before they are eligible to check out any additional technology devices or bundles.
- **Laptops and hotspots must be returned to the library circulation desk during regular business hours. Borrowers will be charged a fee for devices returned to the materials drop (indoor or outdoor). This fee is not eligible for Food for Fines.**
- It is the borrower’s responsibility to return the laptop and/or hotspot by the due date. If a laptop is lost or not returned by the due date, the device will be shut down remotely and become unusable. If a hotspot is lost or not returned by the due date, wireless service will be terminated, and the device will become unusable.
- Laptops and/or hotspots will not be considered returned until **ALL** items associated with it have been returned to the library.
- The current borrower is responsible for verifying the current physical condition of the laptop and/or hotspot they check out. Damages, non-working devices, and laptops with any objectionable material downloaded on them need to be reported to library staff **immediately**. Unreported issues will become the responsibility of the current borrower.

- The current borrower is responsible for damaged, missing and/or lost pieces of the borrowed items and agrees to notify YCL if a device is lost, stolen, or damaged. Borrower agrees to pay any replacement costs, as determined by the library. If a laptop or hotspot is stolen from the borrower, the borrower is responsible for reporting it to the police department and submitting a police report to the library director for consideration.
- If a device and/or any of the device components (i.e. battery, charger, charging cord) are damaged or not returned within seven (7) days of the due date, the borrower will be charged a replacement fee at the current rate. If the device and all of its components are returned in good condition within one month of the due date, the replacement cost will be waived. However, late fines will still apply.
- The library reserves the right to temporarily take a laptop or hotspot out of regular circulation to make it available for a specific community event or meeting.

YCL reserves the right to refuse to lend equipment at its discretion and to update this Lending Policy at any time. If the Lending Policy is updated, Borrowers will need to review and sign the updated policy.

By signing below, I acknowledge that I have read the above terms and conditions and agree to abide by them. If at any time I wish to revoke my agreement, I acknowledge that I must notify the Yankton Community Library in writing to update my preference.
